

ECE 300: Intermediate Design Project  
Spring 2004, Instructor Dragica Vasileska

Homework Assignment #2  
(due Friday, February 13<sup>th</sup>, 2004)

Write a group memo that will summarize your research project. The memo has to have three paragraphs.

Paragraph 1: the objective for doing your project, the means how you will accomplish your goal, and the results that you expect from your investigations.

Paragraph 2: the intellectual merit of your proposed activity (see NSF guidelines on [www.nsf.gov](http://www.nsf.gov), proposal preparation)

Paragraph 3: the broader impact of your proposed activity (see NSF guidelines on [www.nsf.gov](http://www.nsf.gov), proposal preparation)
