

ECE 300: Intermediate Design Project
Spring 2004, Instructor Dragica Vasileska

Homework Assignment #3
(due Wednesday, February 25th, 2004)

Write a group report that will serve as an introduction in your research project. The group report has to have the following:

1. Description of the importance of the work you are performing in general.
2. Previous work done in this area. Cite 5-6 sources that can be web-pages, journal articles, books, etc.
3. Briefly describe the problems that the present technology has and how you plan to overcome these problems.
